We are thrilled to announce that HCCU has entered into a multi-year sponsorship of the Helena Community Credit Union Symphony Under the Stars, along with continuing our longtime sole sponsorship of the fireworks finale. The event continues to be free for the Helena community, thanks to our sponsorship, and we'd love it if every one of our members was there to join us in the festivities. This year will feature the music of Star Wars!

Don't forget: You will also be able to purchase BRBC's Galaxy Pale Ale at the event – and \$1.00 from every beer purchased will go to support Symphony Under the Stars!
